2024 U.S. Open Showcase

The Village of Pinehurst and the USGA are proud to announce plans for the U.S. Open Showcase which includes interactive programming and spectator entertainment during the upcoming 2024 U.S. Open Championship. Residents and visitors alike are invited to participate in the U.S. Open Showcase in the heart of the Village at Tufts Park. The U.S. Open Showcase will include six days of special events with free admission including live musical performances, a family-friendly film, and interactive golf experiences. Conveniently located in Tufts Park in the Village Center, the U.S. Open Showcase festivities begin with early morning exercises and events scattered throughout the day. Tufts Park really comes alive in the evenings at the conclusion of daily practice/championship play and will conclude no later than 10:30 pm to comply with the local noise ordinance. Tufts Park will be the site of an entertainment stage, a 9-by-12 foot LED screen, photo opportunities, table seating, a golf simulator, and putting green. Join us Thursday-Sunday for all-day watch parties of the U.S. Open coverage. See the sidebar for a full schedule of events for the week.

Village Services Continue During the U.S. Open

Regular municipal services in Pinehurst will continue during the week of the U.S. Open, including fire, police, solid waste collection, recycling, yard debris collection, and building inspections. Village Hall will be open and Village staff intend to carry on with business as usual for Pinehurst residents.

Please be reminded to store your solid waste carts in the designated locations

in a timely manner to keep the Village looking pristine, especially for the week of the U.S. Open as Pinehurst is on the world stage.

Parks and Recreation Facilities

Parks & Recreation facilities will have limited availability during the week of the U.S. Open. Camelot Playground will be open to pedestrians only. The Wicker Park hockey rink, playground,

and tennis/pickle ball courts will also be open but only for walk-in patrons as no parking will be available. The splash pad will be closed for the week of the U.S. Open. Summer camps will continue to be held at the Community Center, but parents/guardians must drop off attendees—they will not be allowed to park and come into the building. Staff will meet camp participants at the curb.

Transportation, Parking, Golf Carts, and Gates

Transportation and Parking:

In conjunction with the North Carolina State Highway Patrol, Pinehurst Police Department, and other local and state agencies, the USGA has developed a parking and transportation plan for the U.S. Open week, June 10-16, 2024. The plan was designed to ensure the safe and efficient movement of traffic and pedestrians during the championships.

Moore County residents should utilize one of two satellite parking areas unless they can walk to the championship or reach one of the designated golf cart parking areas. Residents can also make use of the Ride Share & Passenger Drop-off at the former site of the World Golf Hall of Fame located off of NC-2. Access to the Ride Share & Passenger drop-off is limited to vehicles no larger than 15 passengers.

Parking in the Village of Pinehurst will be closely monitored and parking regulations will be strictly enforced. There will be no championship parking for general spectators within the Village of Pinehurst.

Complimentary parking will be available in TWO general spectator parking lots.

- Spectators residing north of NC-211 and NC-2/ Midland Road are encouraged to utilize The RED Lot (North). The RED Lot will be accessible from US-15/501 via NC-73 West. From NC-73 West, follow signage to the parking lot.
- Spectators residing south of NC-2 and east of NC-5 should use the BLUE Lot (South). Traffic should follow US-1 South to Roseland Road and follow signage to the parking lot.

- Residents south of NC-211 and west of NC-5 should follow NC-5 South to US-15/501 and US-1 South to utilize the BLUE Lot (South).

A total of 130 buses will provide complimentary transportation from the RED Lot and BLUE Lot each day. Shuttles will operate from each parking lot from 5:30am to 9:00pm throughout the week. More than 100 NC State Highway Patrol officers, along with local law enforcement agencies, will be posted throughout the area to ensure the safe and efficient flow of traffic.

Ride share services, passenger, taxi or limousine drop-offs will only be allowed at the designated area located off Midland Road (NC-2) near the traffic circle, which is a short walk to Gate 6. There is NO parking or staging for vehicles, so please coordinate pick-up times accordingly. Please follow directional signs and parking attendants to the appropriate pick-up and drop-off location. Due to traffic restrictions, access is limited to vehicles no larger than a 15-passenger van or limousine.

Ride share vehicles are NOT permitted to pick-up or drop-off at any other location around the Championship grounds. All other U.S. Open parking is by permit and parking pass only. Due to U.S. Open traffic, delays can be expected during peak arrival and departure times (7:00-11:00am and 3:30-7:30pm). Shuttle traffic is expected to be heavy along the primary routes in and around Pinehurst Resort.

Golf Cart Parking:

Local residents living in close proximity to Pinehurst Resort may use one of four

designated golf cart parking areas:

- For residents who live west of NC-5, parking will be located on Course No. 5, hole 18 fairway. Guests will park and walk to cross NC-5/Cradle Crossing and enter through Gate 10.
- For residents on Course No. 7, golf cart parking is available via Brookhaven Road. Guests should park and walk towards the green of hole 9 of Course No. 2 and enter through Gate 5.
- For residents of Doral Woods and Monticello Road, golf cart parking will be provided on the 3rd hole of Course No. 1. Guests should park and enter through the main gate (Gate 1).
- For residents living north of the Pinehurst Traffic Circle (Village Acres of Pinehurst and Pinehurst No. 6), golf cart parking will be available at the former site of the World Golf Hall of Fame near the traffic circle. Guests should park and enter through Gate 6.

Private golf carts will not be allowed on the championship grounds.

Admission Gates:

There will be three public admission gates for ticket holders to access the course. Gate 1 will be the main admission gate located off Morganton Road near the Harness Track. All spectators utilizing the general spectator parking lots will enter through this gate. Gate 8 will be located on club property on Carolina Vista Drive. Gate 6 will be located at the Ride Share & Passenger Drop-Off at the former site of the World Golf Hall of Fame off of Midland Road (NC-2).

Temporary Ordinances for the 2024 U.S. Open Championship

The Pinehurst Village Council recently passed several temporary ordinances that will be in effect during the 2024 U.S. Open Championships:

Pinehurst Social District (Open Container Law)

During June 10-16, 2024, possession and consumption of alcoholic beverages will be allowed in the Village's temporary social district as identified on the adopted map. A map of the area where open containers will be allowed and additional information can be found at vopnc.org/socialdistrict.

3-Hour Parking Restriction

A new 3-hour public parking time limit will be enforced in the Village Center from June 10-16, 2024 between the hours of 9:00am and 6:00pm. Violators will be fined for exceeding these time limits and will be strictly enforced. The Village Green parking lot will also be restricted to three hours. However, as mentioned earlier, overflow parking with shuttle service will be available at 55 Rattlesnake Trail. This overflow lot will not be time limited. View a map of these areas at vopnc.org/2024usopen.

No Parking on Certain Roads and Roads Closing

The Village of Pinehurst has established an on-street parking prohibition on the listed roads during the timeframe of the U.S. Open Championship. This is to prevent cars from parking along the roads in the neighborhoods that are within close proximity of the event. Existing designated parking spaces along these streets will remain available for parking.

These roads are: Azalea Road, Campbell Road, Cherokee Road, Chinquapin Road, Community Road, Craig Road, Dalrymple Road, Dundee Road, Everett Road, Fields Road, Kelly Road, Laurel Road, Magnolia Road, McIntyre Road (Woods Road to Short Road), Monticello Drive (Hwy #5 to Blake Blvd.), Palmetto Road, Shaw Road SE, Short Road (East and West of Page Road), and Woods Road. View a map of these areas at vopnc.org/2024usopen.

Also, certain roads throughout the Village located within close proximity of the U.S. Open Championship will be closed to thru-traffic as requested by the USGA. The intersection of Pine Tree Road and NC-5 will be closed beginning at 12:01 a.m. on Monday, June 10. Access to and from Pine Tree Road will only be allowed from St Andrews Road. Residents of condominium complexes with driveway access off of Pine Tree Road will be issued a resident pass by their condo association to access their homes during this time.

Morganton Road will be closed from NC-5 to Doral Drive beginning at 6:00 pm on Sunday, June 9. All residents living west of the Morganton Road/Monticello Drive intersection will be issued a resident parking pass. These are expected to be distributed the week of May 13th by the USGA. Parking passes must be visible to law enforcement officers in order to proceed through the Morganton Road/Monticello Drive intersection. There will be no thru traffic or access to Morganton Road from NC-5 during the championships. Monticello Drive will serve as the detour route.
