Places To See

ONE VISIT COULD LAST A LIFETIME

The Village of Pinehurst is not only a wonderful place to visit, it's an unbelievable place to live. More than 90% of those who live here feel it's a safe, satisfying place to make your home. With its temperate climate and sandy terrain, the area seems designed for golf, with more than 40 courses in a 15-mile radius of the Village. But golf is only the beginning.

The area is filled with equestrian activities, including track, bridle trails and steeplechases. Flagship medical facilities from FirstHealth Moore Regional Hospital provide a comprehensive healthcare network. The Carolina Philharmonic, a North Carolina Symphony Orchestra, makes its home in Pinehurst. The state capital of Raleigh, where you'll find the North Carolina Museums of History, Art, and Natural Sciences as well as the Carolina Ballet, is less than an hour away. Nearby Research Triangle Park boasts no fewer than three state universities and endless arts and cultural events.
